This season Peewee and Bantam players trying out for and successfully making a DJHL pooled team will pay all of their fees to the DJHL. Players released from the DJHL tryout and returning to SJMHA to tryout out for a B team or house league hockey must then register with SJMHA. Please be aware of the deadlines set for B team tryouts and ensure you register on time with SJMHA.

Female Hockey Fees

Female hockey fees are still under review until the programs are finalized. A key part of finalizing the programs is to determine how many girls will be participating. To assist in identifying our female players registration will be set at \$0 initially, allowing the girls to register online to confirm their interest. When the fee is finally set, the girls will either pay the actual fee to confirm their registration, or withdraw their registration and not be charged.

Christmas Raffle

This season SJMHA has decided **not** to operate the annual Christmas raffle. In recent years the number of families who use the raffle to help offset the cost of registration has diminished. Families needing financial assistance are advised to apply for funding through the **Breakaway Foundation**.

Payment of Fees

Payment of registration fees through the online registration system is by credit card only. Payments by credit card must be made as a single transaction. There will be no postdated credit card transactions. Players successful in making the Atom A & B, Peewee B and Bantam B all-star teams must return to the online system to add the all-star fee package to their cart and proceed to make payment on or before Oct. 27, 2018.

Families wishing to pay by debit card, cash or cheque can do so by visiting the minor hockey office. For those using postdated cheques, an initial **50% down payment** on the base fee is required at time of registration and 2 postdated cheques dated for November 9, 2018 and December 7, 2018 must be paid by all house league players, and players trying out for Atom A & B, Peewee B and Bantam B teams. In addition to the 2 postdated cheques a cheque dated Oct. 27, 2018 for all-star fees must be included by **every player trying out for Atom A & B, Peewee B and Bantam B all-star teams**. Postdated cheques for all-star fees will be returned to those players not successful in the tryouts.

Please note that either payment in full or postdated cheques is required at time of registration. The Administrator does not have the authority to approve alternate payment schedules. The Association will not place players on teams if this payment schedule is not respected.

No refunds after November 10, 2018.
